“Tabernacle Time:”

*Wild River Retreat asks for every one (1) hour spent on the retreat, a ten (10) minute Bible study to God is conducted. This time is at the discretion of the leaders. One possible observance is a thirty (30) minute Bible study after three (3) hours of activities.

Retreat Property:

- *Any group or guest may use the items provided by the retreat, such as- grill, fishing rods, life vests, refrigerator, kitchen & utensils, shower, bathrooms, etc. Please remember to return each item to its original place and condition.
- *Prior to leaving, please check the retreat’s grounds for misplaced items and trash.

Waterslide:

- *Wild River Retreat encourages each camper to take a trip down the ninety (90) foot slide. The slide is examined and tested often to insure it is in working and sound order. However, please remember that there is an inherent risk involved with the slide and the river.
- *Wild River Retreat DOES NOT provide lifeguards.
- *Wild River Retreat asks that all minors wear a life vest while in the river or on the slide. If a minor does not want to wear a life vest, a leader *must* administer a swimming test upriver. The final decision of each minor’s swimming abilities rests upon the group leader. The responsibilities of the sliders and swimmer are placed on the group leader. Wild River Retreat will not be held liable for any accidents or tragedies which may happen, especially in relation to the usage of a life vest.
- *Wild River Retreat’s recommendation: All campers under the age of twelve (12) wear a life vest, and all minors under the age of eighteen (18) pass a swim test before they allowed to swim without a life vest.
- * Please place an adult on the dock and/or in the water while the campers are sliding and in the water.
